

AIDE-MEMOIRE FOR BEAUTY SERVICE PROVIDERS
REQUIREMENTS FOR THOSE WISHING TO PROVIDE BEAUTY SERVICES IN
LITHUANIA

I provide (will provide) services under a business license or individual activity certificate	I provide (will provide) services to in the company that will employ me
A permit-hygiene passport for the workplace is required	A permit-hygiene passport is not required
Other requirements	
Health examinations are required before starting work and periodically thereafter (for tuberculosis - annually, for other communicable diseases - if epidemiologically necessary). A personal medical record must be kept at the place where the beauty services are provided.	
Training of compulsory hygiene skills and first aid are required and certificates of attestation of health knowledge and skills must be held at the place where the beauty services are provided.	
All the requirements that must be complied with are set out in the Lithuanian Hygiene Standard HN 117: 2007 Lietuvos higienos normoje HN 117:2007 "Grožio paslaugų sveikatos saugos reikalavimai" Leidimų-higienos pasų išdavimo taisyklės ("Health Safety Requirements for Beauty Services". Rules for issuing permit-hygiene passports).
